Since the Kansas City COVID-19 restrictions have been extended to May 15th, we can't have the normal event where we all meet together for event morning registration, coffee & donuts. We still encourage everyone to ride our route or a route of your own on May 3rd (or at the latest by May 10th), as those are the days we'll have insurance coverage. We've never had to use this extra insurance since you all have your own insurance but it covers anything out of the ordinary.
