From Dan’s Desk

While we’ve cared for thousands of broken and broken-hearted individuals since the Mission began 90 years ago, we continue to serve new faces—men, women, and children—every day. The needs of our community have changed, and so have the challenges faced by those who come before the toilets or help your family plan a Christmas.

Born in the inner city of Washington, D.C., Lynda experienced a tumultuous and painful childhood. Music became an escape from her heartache, and God has used the scars of her youth to bring a depth and richness to her ministry. Her distinct alto voice has created opportunities for her to minister across the nation and around the world, and we’re excited to have her share her music and message with us here in Kansas City.

Thank you,
Jack Stack,
for your longstanding partnership!

Continue Your Compassion Beyond Your Lifetime with “My Legacy Planner”

Well above 70 percent of Americans do not have a current Will. And even those who do typically haven’t thought to include a school, local church or favorite ministry—such as City Union Mission—in their estate plan.

We are so grateful for friends like you who, with regular donations and sacrificial gifts, help us fulfill and expand the reach of City Union Mission. We receive many inquiries from individuals who have heard about what God is doing through our ministry and ask if they could include the Mission in their estate plan—and we respond with an enthusiastic yes!

To look at how charitable giving in your estate plan might help you provide for your heirs, reduce taxes and bless your favorite charities at the same time, please invest 10 minutes in our My Legacy Planner online tool. Be assured no one at the Mission will have access to your personal financial information.

To start planning now, visit cityunionmission.mylegacyhg.com or contact Dennis Chapman at (816) 474-9380, ext. 1476 or dennis.chapman@cityunionmission.org for more information.
