# Volunteers

## Christ-Centered

We strive to provide an opportunity for a changed life through the experience and greater understanding of personal faith. Focusing on whole-person health, we introduce healthy lifestyles and building supportive relationships through full days spent in youth activities such as chapel, Bible memory, crafts, camping, canoeing, fishing, hiking, sports, group games archery, and swimming.

## Founded in 1935

Camp CUMCITO (City Union Mission Camp in the Ozarks) offers a one-week summer Bible camp experience for low-income youth from urban Kansas City and rural Benton County. Sitting on 600 acres near Warsaw, MO, approximately 600 youth between the ages of 4-16 participated in summer camp each year. Camp is made possible each year by the generous volunteers who staff over 400 positions, and donors who contribute over \$380 per camper. Most campers only pay a \$5 registration fee.
