Christ-Centered

We strive to provide an opportunity for a changed life through the experience and greater understanding of personal faith, healthy lifestyles, unique camp experiences, and relationships with godly, reliable adults. Activities include: chapel, Bible memory, crafts, camping, canoeing, fishing, hiking, climbing, team sports, group games, archery, and swimming.

Founded in 1935

Camp CUMCITO (City Union Mission's Camp in the Ozarks) offers a one-week summer Bible camp experience for low-income youth from urban Kansas City and rural Benton County. Camp CUMCITO sits on 600 acres near Warsaw, MO. This year, over 120 youth ages 5-16 will participate in summer camp. Camp is made possible by the generous volunteers who staff many positions, and donors who contribute over \$875 per camper. Most campers only pay a \$25 registration fee.
